AmplifyMOOC

Jesse

AP CS MOOC Diagnostic Summary
Date: Apr 27, 2015 11:55 AM (EDT)

Results Summary
Programming Fundamentals: 24/30 (80% correct)
Data Structures: 7/8 (88% correct)
Logic: 5/5 (100% correct)
Algorithms/Problem Solving: 8/10 (80% correct)
Object Oriented Programming: 3/3 (100% correct)
Recursion: 3/3 (100% correct)
Software engineering: 1/1 (100% correct)
Total: 34/40 (85% correct)

Detailed Results
1. Your answer: D, is correct
Topics: Programming Fundamentals, Algorithms/Problem Solving
2. Your answer: A, is correct
Topics: Logic
3. Your answer: D, is correct
Topics: Data Structures
4. Your answer: D, is correct
Topics: Data Structures
5. Your answer: B, is correct
Topics: Object Oriented Programming
6. Your answer: A, is correct
Topics: Programming Fundamentals, Algorithms/Problem Solving
7. Your answer: E, is correct
Topics: Programming Fundamentals, Algorithms/Problem Solving
8. Your answer: A, Correct answer: E
Topics: Programming Fundamentals, Algorithms/Problem Solving
9. Your answer: B, Correct answer: A
Topics: Programming Fundamentals
10. Your answer: C, Correct answer: B
Topics: Programming Fundamentals
11. Your answer: B, is correct
Topics: Programming Fundamentals, Data Structures
12. Your answer: D, is correct
Topics: Programming Fundamentals, Algorithms/Problem Solving
13. Your answer: D, is correct
Topics: Programming Fundamentals, Recursion
14. Your answer: C, Correct answer: D
Topics: Programming Fundamentals, Algorithms/Problem Solving
15. Your answer: D, is correct

Topics: Programming Fundamentals, Algorithms/Problem Solving

16. Your answer: C, is correct

Topics: Object Oriented Programming

17. Your answer: B, is correct

Topics: Programming Fundamentals, Data Structures, Algorithms/Problem Solving

18. Your answer: B, is correct

Topics: Programming Fundamentals, Logic

19. Your answer: E, is correct

Topics: Programming Fundamentals

20. Your answer: B, is correct

Topics: Programming Fundamentals, Logic

21. Your answer: B, is correct

Topics: Programming Fundamentals, Data Structures

22. Your answer: E, is correct

Topics: Programming Fundamentals, Data Structures, Algorithms/Problem Solving

23. Your answer: C, is correct

Topics: Programming Fundamentals

24. Your answer: C, is correct

Topics: Programming Fundamentals

25. Your answer: E, Correct answer: D

Topics: Programming Fundamentals

26. Your answer: D, is correct

Topics: Programming Fundamentals

27. Your answer: C, is correct

Topics: Programming Fundamentals

28. Your answer: B, is correct

Topics: Logic

29. Your answer: D, is correct

Topics: Programming Fundamentals

30. Your answer: B, is correct

Topics: Object Oriented Programming

31. Your answer: E, is correct

Topics: Logic

32. Your answer: C, is correct

Topics: Programming Fundamentals

33. Your answer: C, is correct

Topics: Programming Fundamentals

34. Your answer: D, is correct

Topics: Programming Fundamentals, Algorithms/Problem Solving

35. Your answer: D, is correct

Topics: Programming Fundamentals

36. Your answer: C, is correct

Topics: Programming Fundamentals, Data Structures

37. Your answer: B, Correct answer: C

Topics: Programming Fundamentals, Data Structures

38. Your answer: C, is correct

Topics: Software engineering

39. Your answer: E, is correct

Topics: Recursion

40. Your answer: D, is correct
Topics: Programming Fundamentals, Recursion
